

## **From the Desk of Chairman CCMN-2020**

Dear prospective students,

Let me take this opportunity to congratulate every one of you for your splendid success in the Joint Admission Test for M.Sc. (JAM). By qualifying JAM in the year 2020, you have now become eligible to participate in CCMN-2020. Wish you the very best for the admission process and may you get the Institute of your choice.

Malaviya National Institute of Technology (MNIT) Jaipur is the organizing Institute for CCMN-2020 (Centralized Counselling for M.Sc/ M.Sc (Tech) Admissions -2020) this year. Based on the JAM score, admissions will be made for NITs and some GFTIs to M.Sc/ M.Sc (Tech) Programs through this centralized counselling process.

Our aim is to provide the best Science and Technology Education opportunities to the maximum number of students and to fill all the available seats in the country's coveted institutions through a fair and transparent process. I am in no doubt that with better coordination and support from all stakeholders, MNIT Jaipur would be able to fill the maximum number of seats in the participating institutes and help students to fulfil their dreams. CCMN-2020 team shall provide the utmost convenience to the students and other stakeholders by the feature of online document verification. For this purpose, after seat allotment, the candidates will be required to upload the needful documents. Thus, the CCMN-2020 will enormously increase the overall convenience of candidates in the wake of requirement of social distancing due to Covid-19 outbreak.

The aspiring candidates are requested to go through the Information Brochure (having detailed process, schedule, flow chart, etc.), list of participating Institutes, seat matrix, eligibility matrix, FAQ, etc. Available on the website. On behalf of the participating Institutes and CCMN, I once again wish all the eligible candidates and other stakeholders a successful counselling. Jai Hind.
